

OREGON  
DECLARATION  
of  
ENERGY  
INDEPENDENCE  
for  
2020

A Proposal for Theme in the Governor's "State of the State" Address

"Oregonians understand global warming is an Oregon problem."

2 0 2 0

A Time Line.

A Plan.

A model for States and the Nation.

Becomes known as idea and ideal,  
throughout the U.S.

-

2 0 2 0 A. D.

A constant reminder.

Where we are going.

Where we began.

What we need to do.

What we promised we would do.

2 0 / 2 0

Balance the Carbon and Energy use.

2 0 - 2 0

Vision.

Antidote to war.

Independence.
